*Once upon a time a long long time ago, a Southland
lad named Corey Flynn (hence the bar name O'Flynn's)
moved to Canterbury to succeed in NZ's National game.*

*After playing 130 games for the Crusaders he has
won 4 Super Rugby titles, has become our most
capped Crusader after surpassing Rueben Thorne
& in 2011 won the Rugby World Cup.*

*So the question is? Was he part of a champion team
or was he the champion in the team?*

*Mr Flynn is still playing professional rugby today &
will do so while his mind is still willing! (Oct 2013)*
